vzor proštepování

velikost tabletu
včetně 1 cm na přidavek na švy

The diagram shows a large rectangular frame containing a smaller, solid-lined rectangle. A grid of solid lines is drawn within the smaller rectangle, with a vertical line on the left and a horizontal line at the bottom. Diagonal lines cross the grid from the top-left to the bottom-right and from the top-right to the bottom-left. Dashed lines extend from the corners of the smaller rectangle to the corners of the larger frame, forming a larger grid pattern. The text 'vzor proštepování' is at the top left, and 'velikost tabletu včetně 1 cm na přidavek na švy' is in the upper right area of the smaller rectangle.
